

Table Name	Column Name	Description	Data Type
Deleted Activities	<16 Hour Week - End Month	Suggested duration (<16 hours/week) - End Month	int
Deleted Activities	<16 Hour Week - Start Month	Suggested duration (<16 hours/week) - Start Month	int
Deleted Activities	16-29 Hour Week - Finish Month	Suggested duration (16-29 hours/week) - End Month	int
Deleted Activities	16-29 Hour Week - Start Month	Suggested duration (16-29 hours/week) - Start Month	int
Deleted Activities	30+ Hour Week - End Month	Suggested duration (30+ hours/week) - End Month	int
Deleted Activities	30+ Hour Week - Start Month	Suggested duration (30+ hours/week) - Start Month	int
Deleted Activities	ActivityID	Metadata: Bud Internal Activity Id	uniqueidentifier
Deleted Activities	ActivityTrainerId	Id of trainer for this activity (may be different from primary trainer for the programme)	uniqueidentifier
Deleted Activities	Additional Learner Instructions	Has the Trainer entered additional instructions for the Learner?	bit
Deleted Activities	ApprenticeId	Metadata: Bud Internal Apprentice Id.	uniqueidentifier
Deleted Activities	Completion Date	Completion Date	date
Deleted Activities	Creation Type	How the activity has been created: From Commitment Statement / In Learning Portal	varchar
Deleted Activities	Creation Type (Code)	Code of how the activity has been created	int
Deleted Activities	CreationDateTime	Metadata: Record creation time	datetime2
Deleted Activities	Dim_Activity_SK	Metadata: Activity Surrogate Key	int

Deleted Activities	Due Date	Activity Due Date	date
Deleted Activities	DW_CreationDateTime	Metadata: Time when the record was created in the Data Warehouse	datetime2
Deleted Activities	DW_DeletedDateTime	Metadata: Time when the record was deleted in the Data Warehouse	datetime2
Deleted Activities	DW_LastModifiedDateTime	Metadata: Time when the record was modified in the Data Warehouse	datetime2
Deleted Activities	End Date	Activity End Date	date
Deleted Activities	Exempt Additional Comments	Any additional comment on the reason of the exemption	varchar
Deleted Activities	Exempt By (Id)	Metadata: Bud ID of the person who exempted the activity	uniqueidentifier
Deleted Activities	Exempt By (Name)	Full Name of the person who exempted the activity	varchar
Deleted Activities	Exempt On	Date the apprentice has been exempted from the activity	date
Deleted Activities	Exempt Reason	The reason the learner was exempted from the activity: Achieved Prior Learning / Activity Not Relevant / From Commitment Statement	varchar
Deleted Activities	Exempt Reason (Code)	Code of the reason the learner was exempted from the activity	int
Deleted Activities	FrameworkStandardId	Metadata: Bud Internal Framework or Standard Id.	uniqueidentifier
Deleted Activities	From Activity Library	Flag to denote whether an activity is in the Activity Library	bit
Deleted Activities	Has Been Replanned	Flag to denote where an activity has been replanned; i.e. the due date has been updated (See	bit

		Presentation.[Activity Due Date Audit])	
Deleted Activities	Has Registered For Third Party Course	Flag as to whether learner has registered for the third party course	bit
Deleted Activities	Has Third Party Content	Flag as to whether activity contains third party content	bit
Deleted Activities	Is Exempt	Whether the learner has been exempted from this activity	bit
Deleted Activities	Is Overdue	Is the activity overdue?	bit
Deleted Activities	Last Read Messages - Learner	Last time the Learner has read messages.	datetime2
Deleted Activities	Last Read Messages - Trainer	Last time the Trainer has read messages.	datetime2
Deleted Activities	Last Updated From Commitment Statement Date	Last Date the Activity definition has been updated from the Commitment Statement	date
Deleted Activities	LastModifiedDateTime	Metadata: Last time record was modified	datetime2
Deleted Activities	LearningPlanId	Metadata: Bud Internal Learning Plan Id.	uniqueidentifier
Deleted Activities	Name	Activity Name	varchar
Deleted Activities	Off The Job Hours	Deprecated - use Planned Off The Job Hours	int
Deleted Activities	Planned Off The Job Hours	Off-the-job hours planned for this activity	int
Deleted Activities	ProgrammeActivityId	Bud Programme Management ActivityId - used in Programme Management and Activity Library. Different from the Learning Plan ActivityId used elsewhere.	uniqueidentifier

Deleted Activities	Published Programme Last Updated	Last time the related program has been updated.	datetime2
Deleted Activities	SCD_CurrentRow	Metadata: Flag that indicates the current row	int
Deleted Activities	SCD_ValidFrom	Metadata: Date from which the record is valid	date
Deleted Activities	SCD_ValidTo	Metadata: Date to which the record is valid	date
Deleted Activities	Start Date	Activity Start Date	date
Deleted Activities	Status	Activity status: Assessment Complete / Complete / In Progress / Not Set / Submitted	varchar
Deleted Activities	Status (Code)	Activity status. Numeric code.	int
Deleted Activities	Summary	Activity Summary	varchar
Deleted Activities	Third Party Content Completed Date and Time	Date and time that the third party content was completed	datetime2
Deleted Activities	Third Party Content Started Date and Time	Date and time that the third party content was started	datetime2
Deleted Activities	Time Spent On Third Party Resource	Time learner spent on third party resource in seconds	int
Deleted Activities	TrainerId	Metadata: Primary Trainer Id.	uniqueidentifier
Deleted Activities	TrainingProviderId	Metadata: Bud Internal Trainer Provider Id	uniqueidentifier
Deleted Activities	Type	Activity Type: Course / Assignment / Tutorial / etc	varchar
EPA Meetings and Assessments	Assessment Status	EPA Assessment Status	varchar
EPA Meetings and Assessments	Cancellation Reason	EPA Cancellation Reason	varchar
